Rationale

This Elementary School Athletic Handbook is only the first step in organizing athletic programs in a school. This document is provided in order to direct schools in policy and practices that are both legally sound and backed by the Diocesan insurance carrier. Secondly, it will offer consistency in the expectations and responsibilities of leagues, teams, coaches, administrators, and spectators. It is important that individual schools develop athletic handbooks using this document to address specific situations at the local level.

The contents of this Handbook are subject to change based on decisions made by the Department of Catholic Education and the Director of Elementary Athletics. Consider this Handbook a living document primarily nurturing children's physical, social, emotional, and academic growth and modeling Catholic values.

Child Development: Mind & Body

As a Catholic school, our responsibility is to develop the whole child—socially, emotionally, academically, and spiritually. As we look at children in elementary school, their growth is a continuum preparing them for the next stage of their development. This is true especially in the area of physical development and participation in organized sports programs. It is imperative that we have a full understanding of this when planning sports programs for elementary-age students.

As stated in Understanding Children by Judith A. Schickendanz, Karen Hansen, and Peggy D. Forsyth...

“A healthy body contributes to healthy growth in every other area of development. Good motor coordination and appropriate body strength can support cognitive growth and provide children with positive feelings about themselves. Participation in games and sports can help children learn individual and group social skills. “Overall, physical activity can give children a sense of health and general well-being.”

In 1995, the NASPE (National Association for Sports and Physical Education) established standards and benchmarks that help establish a way to monitor a child’s progress towards physical preparation. Those standards are as follows:

- The child demonstrates competency in many movement forms and proficiency in a few movement forms.
- The child applies movement concepts and principles to the learning and development of motor skills.
- The child exhibits a physically active lifestyle.
- The child achieves and maintains a health-enhancing level of physical fitness.
- The child demonstrates responsible personal and social behavior in physical activity settings.
- The child demonstrates understanding and respect for differences among people in physical activity settings.
- The child understands that physical activity provides the opportunity for enjoyment, challenge, self-expression, and social interaction.

These standards are used as guides for preparing activities and experiences to support the child’s physical development from three through eight years of age. After eight years of age, the child’s coordination, interpersonal skills, and her ability to understand rules makes them logical candidates for sporting activities. Participation in sports provides an opportunity to refine and practice the skills that have been developed using the seven standards listed above.

ANY allegation involving sexual abuse/misconduct must be immediately reported to the principal and also to the Superintendent of Schools.

VI. Student Athletes

- Act in a Christian way exhibiting good sportsmanship both on and off the court/field. Respect opponents, officials, coaches, teammates, and spectators at all times.
- Remember sport team participation is a privilege, not a right. Remember it is an opportunity to learn and have fun, not just to please parents or coaches.
- Start each competition with a team prayer. Welcome your opponents when they arrive and congratulate them sincerely at the end of a competition.
- Accept both victory and defeat with pride and honor—never be boastful or bitter.
- Maintain grades (classwork, homework, projects, and tests) and effort in schoolwork. Always work to your potential.
- Maintain good behavior in school and at school events. Choose to make yourself proud. Remember you represent your school in all you do.
- Use self-control.
- Listen and learn from the coach. Work hard to improve skills and help the team.
- Follow all the rules and regulations set by the school, coach and sport.
- Respect the judgment of the officials. Never argue or show disrespect to the officials. Only the captain should communicate with the officials regarding clarification of a rule.

- Attend all practices and competitions. If unable to attend, notify the coach in advance.
- Attend the full school day of a practice or competition.
- Accept the responsibility of representing the school and community.
- Return all school property, including uniforms, to the coach in a timely manner. If the uniform is not returned, the student's report card can be withheld. If the uniform is lost, the school may assess a fee to replace it and the report card can be withheld until the fee is paid.

VII. Parents

- Encourage good sportsmanship, effort, and teamwork from student athletes, coaches, and spectators.
- Model Christian behavior for all students, spectators, and coaches. Remember you represent your school and your child in the community.
- Respect the judgments of the officials and efforts and strategies of the coaches.
- Remember the athletic experiences are learning opportunities for the players. It is supposed to be fun for the student. Encourage, but don't pressure participation in sports. Make sports part of your child's life, not everything in his life.
- Keep winning in perspective; help your child do the same.
- Help your child meet the responsibilities to the team and coach.
- Place academics as first priority...schoolwork is still the primary task of elementary students.
- Let the coach guide and instruct your child during competitions and practices.
- Cheer for your team. Acknowledge the efforts and successes of the opponents.

Elementary School Athletic Program Policies

These policies embody the minimum requirements that must be observed by any elementary school participating in the Diocesan Elementary Athletic Leagues. More stringent policies may be imposed on academic eligibility at the local level by the administration. Each school should have these regulations written in its School Athletic Handbook.

1. Each school will be responsible for establishing, implementing, and enforcing an eligibility code uniform for all sports.
2. The roles and responsibilities for the Department of Catholic Education, Administrators, Officials, League Coordinators, Coaches, Student Athletes, and parents are clearly indicated on pages 7-10. It is expected that all parties adhere to these responsibilities for the safety and benefit of the students in the Diocesan Athletic Program.
3. All student eligibility policies are found on pages 15. Considerations for eligibility include: registration status, academic/behavior/effort standing, age, grade level, submission of required forms, roster inclusion, sportsmanship, and removal of jewelry. Medical jewelry must be taped or covered.
4. All leagues in which a school participates must be registered with the Department of Catholic Education. This is essential for insurance and liability reasons.
5. All leagues must furnish a list of participating schools an explanation and accountability of fees prior to league play.
6. All leagues must follow the mission, goals, and policies of the Diocesan Elementary School Athletic Handbook.
7. No cheerleading pyramids are permitted in your facility by any cheerleading team. Cheerleaders are to remain on the floor during all cheering activities. The cheerleaders must be supervised by an adult at all times, one that is not involved with coaching the game in progress. Selection of music, moves, and chants must support Catholic values. Using a student mascot is discouraged.
8. All equipment mandated by the specific sport rulebook must be provided for the athletes.
9. If a school is closed due to inclement weather or sickness, no students from that school are allowed to participate in practice or competition of any nature (tournaments, games, scrimmages) on that day without the principal's approval. The school administration makes this decision and communicates to all affected schools or coaches.

10. A team roster and coaches required documentation (First Aid/CPR & Virtus training) must be submitted to the Department of Athletics prior to their first contest. League fees are due 30 days from date of invoice from the Department of Athletics. Each team roster must be signed by the principal (athletic director, if applicable) and the coach prior to the start of league competition. Failure to abide will result in forfeited contests until all paperwork is submitted.
11. Notification of tryouts for a team, whether JV or Varsity, must be made public to all eligible students.
12. Team practices and competitions limits must be adhered to. (see page 18)
13. No elementary students are allowed to practice or compete with High School teams.

Elementary School Transportation Policy

Elementary School student athletes are responsible for their own transportation to and from athletic practices and competitions/games unless the school has arranged transportation for a specific competition/game/event. In this case, contract bus transportation (including a driver) is the most desirable method to use. Use of 15 passenger vans is strictly prohibited.

Carpooling with parents as volunteer drivers is very often utilized as the most convenient method of transporting elementary school athletes to and from athletic competitions. If a parent/volunteer drives athletes other than their own child(ren) in their own vehicle, it is important to note that the insurance on that vehicle is primary (first to respond in the event of an accident). Diocesan insurance provides excess liability protection once the underlying insurance is exhausted. Due to the potential exposure associated with this form of transportation, the following rules and regulations must be followed:

1. **The driver must be 21 years of age or older, have a valid, non-probationary driver's license and not physical disability that could in any way impair his/her ability to drive the vehicle safely.**
2. The driver must have an acceptable driving record that may be subject to verification through obtaining a motor vehicle report. Any occurrence of a DWI, DUI, or any combination of 3 or more accidents/moving violations in the past three years will make the driver ineligible to drive students to or from athletic events.
3. The vehicle must have a valid and current NYS Inspection sticker, a valid and current registration, and valid and current license plates.
4. The vehicle must be insured with liability limits no less than \$100,000 per person/\$300,000 per accident for bodily injury and \$100,000 per accident for property damage.
5. A signed School Safety Driver Information Sheet (Appendix A-4) must be submitted for each driver and kept on file at the school.

Elementary Student Athlete Eligibility

1. The student athlete must be registered in and attending the school that he or she represents. The school must be a member of the Elementary Diocesan League.
2. The student athlete must be in good academic standing (earning a passing grade in each class or working to potential as determined by the individual school) in order to start on the team and /or continue on the team. Failing grades, lack of effort or inappropriate behavior will result in temporary suspension of eligibility. At that time, the student may not attend or participate in any team practice, competition, or event. The decision to allow the return of the student athlete is made by teachers and administrator. The parent may request permanent release from the team for academic priorities.
3. **A student may not be 15 years old by Labor Day of the approaching school year to participate on any athletic team.**
4. Students who have completed 8th grade and enroll in another school as an 8th grade student are NOT eligible to participate in athletics if they participated in 6th, 7th, 8th grade of the school previously attended.
5. **With the exception of Track, Soccer, and Swimming 3rd grade students are not permitted to participate in team practices or competitions without proper insurance paperwork (as provided by the Department of Athletics upon request).**
6. "Redshirting," retaining a student for the sake of increased sports participation, is neither ethical nor permitted.
7. The student must have on file in the school office: current year physician's release to participate, a sports physical within the last 12 months of the sports season, written parent permission, signed Sports Code of Ethics, emergency contact numbers. The student must have all these on file before participating in any team activity (practice or competition).
8. A student must be on the roster submitted at the time of team registration with the league and Department of Catholic Education.
9. A student athlete who was excluded by an official from a competition for unsportsmanlike conduct is ineligible to play in that sport until after the next previously scheduled contest in that sport on that level.
10. Just as in gym class, jewelry must not be worn during practices or competitions. This includes taped earrings, any type of bracelet, rings, earrings, and necklaces or chains. If a religious medal or medical identification tag is worn, it must be off the chain and taped or sewn under the uniform.
11. **USE CAUTION WHEN INCLUDING OR ADDING 4th & 5th GRADE CHILDREN TO 6th-7th & 8th GRADE (JR. HIGH) ROSTERS DUE TO DIFFERENT LEVELS OF PHYSICAL DEVELOPMENT.**
12. **NO ELEMENTARY STUDENTS ARE ALLOWED TO PRACTICE OR COMPETE WITH HIGH SCHOOL TEAMS.**
13. **ATHLETES MAY ONLY APPEAR ON 1 DIOCESAN TEAM ROSTER PER SEASON. VIOLATIONS WILL RESULT IN FORFEITURE AND OR ELIMINATION OF DIOCESEAN TOURNAMENT PLAY.**

(4),(6) indicates prior permission to participate must be made by **written request** of the principal, **the parent or legal guardians signed approval, and the appropriate insurance forms (if needed)** on file with the Dept. of Athletics.

Smaller schools may invite participation of a neighboring Catholic school for the sole purpose of fielding a team. Special consideration may be granted by the Dept. of Athletics to 5th & 6th graders in order for a school to field a team.

- 1. If a sixth grader(s) is added to a Varsity roster, a letter from the principal must be submitted to the Department of Athletics, requesting permission from the Diocese of Buffalo to allow the student(s) to play at this level. This student is not allowed to participate until the letter is received. The school will receive acknowledgement from the Department of Athletics.**
- 2. If there is a need to combine with another school to form a team, a formal request must be made in writing by both principals. The letter should include the name of each student, grade level, date of birth and name of school they are currently enrolled at. The two schools involved should not take it for granted that this will be allowed. Once a decision has been rendered, the schools involved will be notified by the Department of Athletics.**

RECRUITING OF STUDENTS BASED SOLELY ON ATHLETIC ABILITY IS A DIRECT VIOLATION OF THE MONSIGNOR MARTIN HIGH SCHOOL ATHLETIC ASSOCIATION

Purpose

The Athletic Oversight Committee will establish and enforce the policies (see pages 13-15) in the Diocese of Buffalo Elementary School Athletic Handbook. The Committee will review and determine facts regarding any incident in violation of a Diocesan policy then rule on the severity, intent, circumstance, and causes of the rule/policy violation. It will determine the consequences of the actions and any sanctions to be made. The decision of this committee is binding.

The Diocesan-recognized sports leagues will be monitored by the Oversight Committee and will influence their course of action.

The Elementary School Athletic Handbook will be reviewed annually and updated when needed based on recommendations of the Oversight Committee and Principals' Council.

Procedure

1. The proper channels to address a concern must be followed. For example, the principal of the school should be approached first. Often, an incident can be cleared up quickly when the principal is made aware of a problem. At this level, consequences may be determined based on the school's Athletic Handbook. It may be necessary to refer the concern to the Oversight Committee.
2. A concern of policy/rule violation must be presented to the Director of Elementary Athletics in written form no longer than 10 days after the incident or violation. The concern can originate from a student, parent, administrator, coach, official, league coordinator or sports event organizer. **No anonymous concerns will be addressed.**
3. Members of the Oversight Committee will be in communication with those involved in the incident to determine facts.
4. The facts will be presented to the Committee and the severity, frequency, intent, and causes of the violation will be reviewed.
5. The Oversight Committee will determine the level of intervention or consequences of the violation. Discipline will be progressive unless the violation was determined to be criminal or cause undue risk of liability or exhibits extreme resistance to Catholic values and the goals of the Athletic Program. In which case, it may be severe enough to warrant a ban, expulsion, or criminal charge.
6. The determination will be made by consensus, impartially, and binding. There is no recourse for a hearing.

The following examples of Violations and Consequences are not all-inclusive and are subject to change. It serves to provide an idea of some of the concerns that may be brought to the Athletic Oversight Committee and the consequences that may follow. All are subject to the interpretation of the Oversight Committee and the Department of Catholic Education.
