### **Brief Job Description**

Mount Mercy Academy is seeking an energetic and dedicated Theology Teacher for grades 9-12. Our ideal candidate is passionate about spirituality, committed to community, and interested in exploring faith and Catholicism with students in and out of the classroom.

Interested candidates should have experience teaching Secondary Education; enthusiasm for project-based teaching of integrated subjects; a passion for both mental and physical work; willingness to take training in Mercy pedagogy.

### **Essential Duties & Responsibilities**

- Teach Theology and spiritual and religious development.
- Prepare young women to lead and develop the skills that encompass the Critical Concerns of Mercy.
- Incorporate service, compassion and humility while demonstrating an exemplifying model based on the teachings of Catherine McAuley.
- Provide young women knowledge and exploration of those from diverse backgrounds by implementing instruction based on inclusion, justice and equality.
- Design and implementation of appropriate, authentic assessments and support of individual students.
- Collaboration with other members of the faculty, administration and staff on experiential, interdisciplinary and community-based opportunities that add to the school community.
- Support of divisional and school-wide initiatives through committee work, where appropriate.
- Actively participates and/or supervises activities outside of the classroom.
- Performs other duties as assigned.

**Qualifications: Required Education/Experience**

- A degree in a field of study such as Religious Studies, Theology or Social Justice. Preference will be given to applicants with a Master’s Degree. A minimum of two years teaching experience at the high school level is preferred.
- Willingness to invest time into professional development toward Mercy education is expected.

**Desired Skills**

- Teaching project-based curriculum and integrated subjects.
- A thorough understanding of best practices in teaching and commitment to teaching the whole child.
- Ability and flexibility to use Technology including, online meeting and conferencing applications, and operating audio/visual equipment.
