Brief Job Description

Mount Mercy Academy is seeking an energetic and dedicated Spanish Teacher for grades 9-12. Our ideal candidate is passionate about World Languages curriculum, committed to community, and interested in exploring a comprehensive learning model with students both inside and outside of the classroom.

Interested candidates should have teaching experience in Secondary Spanish Education with concentrations in reading, writing, speaking, and listening; enthusiasm for project-based teaching of integrated subjects, interest in spiritual growth, willingness to take training in Mercy pedagogy, and a passion for working with adolescents.

Essential Duties & Responsibilities

- Teach Spanish curriculum, and possible electives.
- Design and implementation of appropriate, authentic assessments and support for individual students.

- Collaboration with other members of the faculty, administration and staff on experiential, interdisciplinary and community-based opportunities that add to the school community.
- Support of departmental and school-wide initiatives through committee work, where appropriate.
- Actively participates in and/or supervises activities outside of the classroom.
- Performs other duties as assigned.

Qualifications: Required Education/Experience

- A Bachelor's degree in Spanish Education with a teaching certification is preferred.
- Willingness to invest time into professional development regarding Mercy education is expected.
- Experience with applicable technology is required.

Desired Skills

• Teaching project-based and integrated curriculum, as well as curriculum that is diverse,

equitable, and inclusive.

- A thorough understanding of best practices in teaching and learning, and a commitment to teaching the whole child.
- Support the school's social, academic and entrepreneurial learning opportunities.
- Ability and flexibility to use technology including online meeting and conferencing applications, and operating audio/visual equipment.
