Brief Job Description

Nardin Academy is an Independent Catholic School located in Buffalo, NY. Nardin asks all in our community to “Inspire hearts and minds to do amazing things for the world through faith, character, academic excellence, and service.” Nardin’s values include Embracing All, Nurturing Talent, Fostering Connection, Living & Serving Through Faith, and Igniting Possibilities. Nardin is a diverse and welcoming community that fosters an inclusive environment that celebrates the background and experiences of all.

Nardin Academy is seeking a Middle School Science teacher to organize and implement an appropriate instructional program in a learning environment that guides and encourages students to develop and fulfill their academic potential. A Nardin Academy teacher is dedicated to the mission of the Academy, committed to the study of pedagogy, motivated to work collaboratively, and committed to a self-reflective practice and professional development.

Essential Duties & Responsibilities

- Prepares an environment to facilitate the learning needs of all children
- Demonstrates planning and preparation for instruction
