Brief Job Description

We are looking for a qualified **Preschool Teacher** to prepare small children for kindergarten by easing them into organized education and the start of a spiritual journey. You will teach them important elements that they will encounter soon after they enter school life. A preschool teacher must have a great love and patience for children. Qualifications needed to teach them effectively include knowledge of best practices and preschool educational methods as well as the ability to engage them and earn their trust and attention.

Essential Duties & Responsibilities

- Working within an established careful and creative program suitable for preschool children
- Employing a variety of educational techniques (storytelling, educational play, media etc.) to teach children
- Observing each child to help them improve their social competencies and build self-esteem
- Preserving the integrity of and participating in all school events
- Communicate with parents regularly
- Maintain a clean and tidy classroom consistent with health and safety standards

Qualifications: Required Education/Experience

- Candidate should be a team player and work collaboratively with others
- Candidate should have successful experience teaching young children
- Excellent understanding of the principles of child development and preschool educational methods
- Familiarity with safety and sanitation guidelines for classrooms
- Excellent communication and instructional skills
- Ability to act as mediator between children Cool-tempered, friendly and reliable to students, staff, and parents
- Bachelors or Masters degree with appropriate certification

Desired Skills

- Using technology as an educational tool is a plus
- Creative long-term and short-term planning
