Position: Full-time Middle School Science & 5th Grade Math Teacher

Salary: Commensurate upon experience/education

Employer Name: Ss. Peter and Paul School, Williamsville

Employer Contact Name and Title: Melissa Lindner, Principal

Employer Website: <http://www.sspps.school.com>

Job Description: The position is for a Science teacher, for grades 5-8, as well as 5th Grade Math. We are beginning to use the NGSS for grades K-3; 6 in the fall. There are scheduled professional development opportunities to prepare for the curriculum shift. Comfort with the Math Modules or willingness to have professional development is necessary. We are a STREAM pilot school within the Diocese of Buffalo and we use these concepts throughout our entire educational program. We will begin reviewing resumes immediately.

Degree Requirements: Bachelor's or Master's Degree with NYS Certification or working towards it.

Qualifications/Skills: NYS certified teacher who is willing to be ready to teach according the Next Generation Science Standards that are being implemented this fall. Additionally, have the ability to plan and deliver effective lessons in math and science. Be willing to incorporate technology to enhance lessons and instruction and effective communication and organization skills.

Experience Required: Successful student and or other teaching experience in Middle School.

Other skills/requirements:

- Virtus training
- NYS Teaching Certification
- Comfort with Google Docs, Drive, Classroom or willingness to be trained
- Ability to work with Middle School Students
- Ability to incorporate hands-on science for students
- Willingness to work collaboratively with other teachers for interdisciplinary learning
