### **Brief Job Description**

This position could be part time or full time and SPS will be flexible with the scheduling. We are in search of a teacher who embodies the world of technology and has a desire and a level of creativity that can express the elements of technology as well as the strategies and experiences of the STREAM model to students in PreK3- Grade 8.

### **Essential Duties & Responsibilities**

- The candidate will be expected to teach the NYS Standards of Technology and integrate these into the teaching of STREAM units, concepts and experiences.

### **Qualifications: Required Education/Experience**

NYS Teacher certification is desired but not required at the onset of this teaching position. Prior teaching experience is desired but not required.

**Desired Skills:**

The candidate must be a team player who can adapt to changes and be creative in their approach to the teaching required in this position. They must possess strong classroom management skills, and be prepared to meet the individual needs and learning styles of each student. Additionally, they must support all the teachings of the Catholic Church.

How to Apply: By Mail  E-Mail  Fax  as above, no later than **09/08/2023**
