

# **POLICY OF NONDISCRIMINATION**

The Catholic Schools of the Diocese of Buffalo base not only their educational purposes, but all their activities on the Christian teaching of the essential equality of all as rooted in the design of God, Christ's love and our supernatural destiny. Thus, with discrimination so repugnant to their nature and mission, Catholic schools in this diocese have not and shall not discriminate on the basis of race, color, national and ethnic origin in administration of educational policies, admissions policies, scholarship and loan programs, and athletics and other school-administered programs.
