

On Friday, February 7th St. Stephen School officially announced it has earned re-accreditation by the Middle States Association Commissions on Elementary and Secondary Schools, a worldwide leader in accreditation and continuous school improvement.

Accreditation is a multifaceted evaluation process that schools and school systems voluntarily use to demonstrate they are meeting a defined set of research-based performance standards.

The 12 Middle States Standards for Accreditation are: mission; governance and leadership; school improvement planning; finances; facilities; school organization and staff; health and safety; educational program; assessment and evidence of student learning; student services; student life and activities, and information resources.

St. Stephen School's mission is to create life-long learners, empowered with a strong sense of Catholic values, who will become responsible, contributing citizens of our world, making it a better place for future generations.
