

Principal Goal Setting 2021-22

Inspired by our vision for ongoing improvement and the National Standards & Benchmarks for Effective Catholic Schools, school leaders are challenged to select a goal in each of the Four Domains. Below are suggested options as well as a space for the school leader to select his/her own. One of the options in the first and fourth domain is “Participate in the Professional Learning Network” sponsored by the Catholic Schools Office. These will be outlined at the August principal meeting.

Timeline: Please fill this out by September 15th and return to Mary Tepley in the Catholic Schools Office as well as your own Governing Authority (the pastor in the case of a parish school, the Board chair in regional or affiliated schools). CSO staff will ask for updates and this goal sheet will become part of the end of the year evaluation. At that time, you will be asked for artifacts & examples of how you sought to meet your goals.

Domain #1: Mission & Catholic Identity (circle one)

1. Participate in the Mission & Catholic Identity PLN
2. Revise/review/articulate/publicize the school’s mission statement
