Choose three of the four camp sessions you would like to attend:

CREATIVE CHEF

Cook up some tasty dishes and learn your way around a kitchen. You get to eat what you cook too!

CODING/STEM

Learn computer language to develop programs, apps, and video games. You'll use math & science in fun ways!

MAD SCIENTIST

This isn't your normal science class... you'll be doing some crazy stuff!

ALL BALL

New games! New skills! Challenge yourself to learn something you've never tried before like juggling and other skills. Develop your ability to work with others and have a ton of fun playing ball games!

The goal of our camps is to promote learning through highly engaging and fun activities for participating students.
