

giving parents a choice- giving children a chance

About The BISON Children's Scholarship Fund

The BISON children's Scholarship Fund is a privately funded partial tuition assistance program for low-income children living in the eight counties of Western New York: Erie, Niagara, Genesee, Allegany, Cattaraugus, Chautauqua, Wyoming and Orleans.

BISON's goal is to equalize educational opportunities for elementary students by offering low-income families educational options normally denied them because of cost. BISON believes that every child should have the chance to succeed. BISON makes a minimum of a four-year commitment to each student awarded a scholarship, but has set a goal of providing scholarships to students throughout their grammar school years.

Thanks to the generosity of the Western New York community and matching grants from the Children Scholarship Fund (CSF), the BISON Scholarship Fund has grown from helping 200 children in its first year to more than 1,750 children today. These BISON children attend over 65 different private or Catholic schools in the greater Buffalo area.

While BISON's dramatic growth in scholarship support is remarkable, the demand for BISON scholarships is even more overwhelming as awareness of the program has heightened.

This demand is our challenge; we appreciate your generosity to help more children have a better chance for a brighter future!

How to Apply

Attention Western New York Families! The BISON Fund is a privately funded tuition assistance program offering partial tuition assistance to low income families. Families awarded a BISON scholarship can enroll their child in any Kindergarten through 8th grade private school of choice in the greater Buffalo area. Scholarships are awarded by annual lottery drawing and are not academic or race-based scholarships, but awarded solely based on need.

New Applicant Eligibility Forms for the 2015-2016 school year are available at www.bisonfund.com If you have questions or need more information; contact the BISON Fund at 716-854-0869 ext. 1
